WHAT: **I-15 BARSTOW PAVEMENT REHAB**
NEW NIGHTTIME PAVING SCHEDULE!

WHEN: **FOR THE WEEK OF APRIL 17, 2006**

WHERE: **I-15 BARSTOW**

The ongoing construction project on Interstate 15 in Barstow will go to nighttime paving beginning on Monday, April 17, 2006. The new nighttime paving schedule will reduce delays to growing traffic during the upcoming summer. Intermittent daytime lane closures for various roadwork in spot locations will continue, however, there will be minimal impacts to traffic.

The following is an update of lane or ramp closures on I-15 between Barstow and Baker for the pavement rehabilitation project, which began in early April 2005. The \$54 million project is expected to last through summer 2007. It will resurface 50 miles of I-15 in both directions from East Main Street in Barstow to Rasor Road. A 4.6-mile truck-climbing lane will also be built from north of Main Street to south of Ghost Town Road.
